## yoga tape Good Advanced Yoga tape?? Are there any?

Posted by tufftata - 2008/11/17 19:27

---

Hey everyone, Are there any good yoga tapes (VHS) out there that are more advanced? Most of the ones that I find are geared more towards beginners. I guess if you are advanced in Yoga you don't need tapes but I do. :-)

Thanks Skree-fer Sent via Deja.com <http://www.deja.com/>
